# Dr. Navdeep Kumar Chief Executive

Focusing on dairy practices that are environment friendly, socially responsible and economically viable to create a balanced dairy supply chain.

To
Our Esteemed Milk Producer Members
And Board Members

As we mark the 10<sup>th</sup> anniversary of Baani Milk Producer Company Limited, the Company is making significant strides toward its vision of becoming the leading producer-owned enterprise in Punjab. Baani Milk Producer Company is fully committed to fulfilling its mission of increasing the incomes of our dairy farmer members through competitive pricing, a transparent milk procurement system, and essential services.

In recent years, Baani has been consolidating its milk procurement operations in existing regions. To expand its reach, uplift underprivileged communities, and explore new opportunities, Baani has begun operations in neighboring districts of state of Rajasthan i.e. Hanumangarh and Gagnganagar.

Baani is expanding into new regions and replacing all existing village-level milk testing systems to enhance the reliability of testing under Project Dairying through Cooperatives (DTC) - Component B of the National Programme for Dairy Development (NPDD) Scheme. In addition, productivity enhancement services, including calf rearing, animal nutrition, and fodder development modules, are being implemented to increase milk yield and farmer income.

The company is committed to environmental sustainability by promoting solar energy. All village-level milk pooling points operate on solar

power. The company has investigated the feasibility of operating milk chilling centers on solar energy and has successfully implemented this solution in four centers. In coming days we are going for tree plantation drive at MCC and MPP level.

Under the guidance of the National Dairy Development Board (NDDB), Baani has served as a Cluster-Based Business Organization (CBBO) for Sanjh Fodder and Agri Producer Company Limited, Sangrur. This role was undertaken as part of the Central Sector Scheme of the Government of India, designed to promote and foster the formation of Farmer Producer Organizations.

Baani has launched three new cattle feed variants in collaboration with NDDB Dairy Services, as part of its Productivity Enhancement Services. These variants are designed to improve feed quality and streamline supply chain logistics.

Baani also plans to upgrade its SAP system to SAP HANA 4 in the next fiscal year to improve system transparency and robustness.

To enhance transparency in the purchase process, Baani has implemented the use of NCDFI e-portal and is committed to maximizing purchases through this platform to ensure greater transparency and leverage better price negotiations.

We express our deepest appreciation to our dedicated team of farmer producer members, expert directors, and Board Members for their continuous guidance and encouragement.

We express our deepest appreciation to NDDB, NDDB Dairy Services, and Mother Dairy for their unwavering support and guidance throughout our journey.

Yours Sincerely, Sd/-

# Empowering Farmers, Enriching Lives

Baani Milk Producer Company is dedicated to improving the lives of rural communities through sustainable dairy farming. Baani aims to scale its operations and provide a reliable income source for farmers. At Baani, we understand the importance of the role of women and small holders in dairying. Over the years, Baani has worked very hard to include women farmers and small holders in this remarkable journey, leading to the financial inclusion of the underprivileged.

To enhance transparency and efficiency in milk procurement, Baani plans to expand its network by installing additional Data Processing Milk Collection Units (DPMCUs) in more villages. Additionally, the company will offer comprehensive support services to farmers, including:

**Animal Nutrition:** Providing optimal feed formulations to maximize milk production.

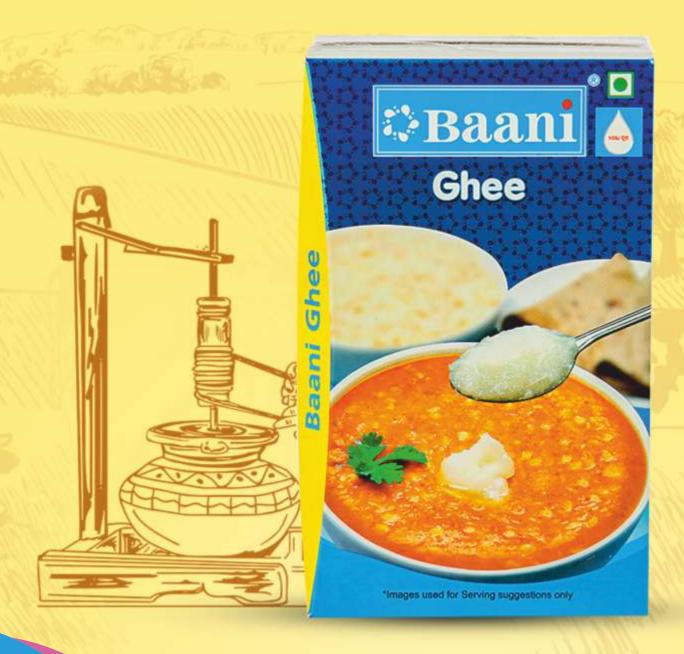

Calf Rearing Program: Supporting the healthy growth of young calves.

**Fodder Development Services:** Promoting sustainable fodder cultivation practices. Through these initiatives, Baani strives to empower farmers, boost milk production, and contribute to the overall well-being of rural communities.

# Ghee Prepared with Lyve & Care

#### **Mastitis Awareness Programme**

Baani MPO has performed more than 18 lakh tests during last 5 years free of cost for detection of subclinical mastitis with CMT. Along with this promoted use of pre and post milking dips for control of clinical and subclinical mastitis.

Subclinical mastitis is a common udder infection in dairy cattle that often goes unnoticed due to the absence of visible symptoms.

The California Mastitis Test (CMT) is a rapid and inexpensive method for detecting subclinical mastitis in dairy cattle.

#### **Impact of Subclinical Mastitis:**

- Reduced milk production
- Lower milk quality (increased somatic cell count)
- Potential for development into clinical mastitis

#### **Challenges:**

Difficult to detect without

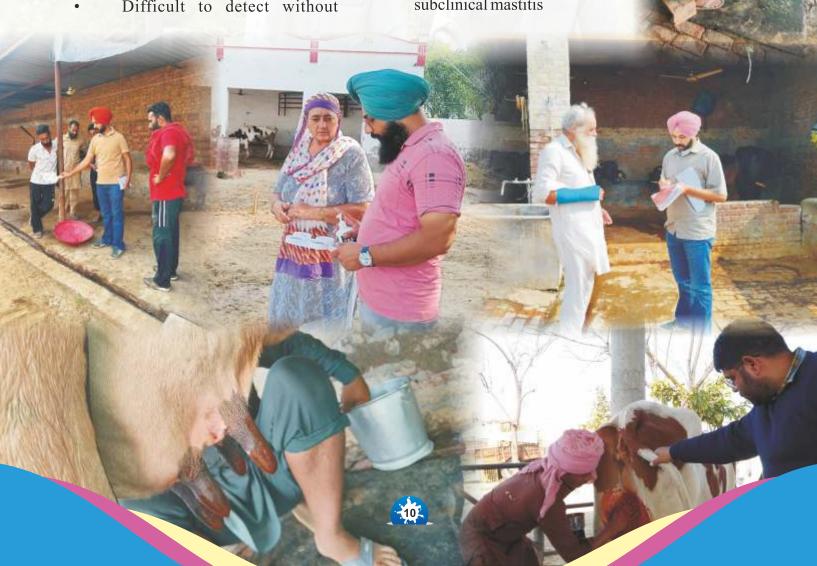

specific tests

Can persist for extended periods, leading to chronic infection

#### **Importance of Early Detection:**

Early detection of subclinical mastitis through CMT is crucial for effective management and control of the disease. Regular CMT testing allows for:

- Identification of infected cows
- Timely treatment to reduce the spread of infection
- Implementation of preventive measures like proper milking hygiene and dry cow therapy
- Improvement of overall herd health and milk production
- By using the CMT as a routine screening tool, dairy farmers can significantly reduce the economic losses associated with subclinical mastitis

During the year under review, the Company has also sold 1000.02 lakh kgs raw milk to institutional buyers.

#### **REVIEW OF OPERATIONS**

During the fiscal year 2023-24, the Company procured an average of 3.06 lakh Liter of milk per day.

The Company operates primarily in nine districts of Punjab, covering 1,234 villages with 1,353 Milk Pooling Points (MPPs) under 12 Milk Chilling Centres (MCCs).

At the end of the fiscal year 2023-24, there were a total of 67,190 approved members. The Company has also witnessed substantial growth in per-MPP milk procurement volumes, demonstrating the trust and loyalty of Baani members in a highly competitive environment. The increase in milk production, along with improved total solid content due to the Company's input services, further solidifies this trust. The Company's values, mission, and vision serve as the strong foundation for this steady growth.

This year, teams worked diligently to control CDA losses (variation). Despite challenging external factors like high inflation rates, teams were able to maintain procurement costs within set targets for nearly all

parameters. Through technology implementation, the Company significantly reduced inward transport costs, resulting in lower diesel consumption per kilogram of milk procured compared to the previous year. Advanced GPS systems were installed in all inward vehicles to enhance monitoring and optimize milk transportation timings.

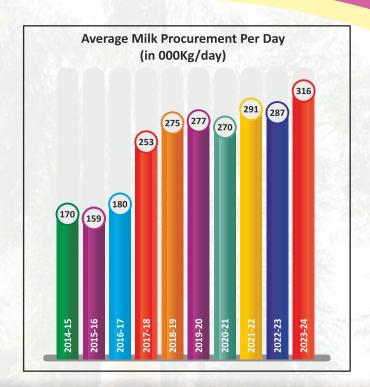

To streamline milk collection at the village level and reduce repair and maintenance costs, the Company developed an Android-based milk collection application for MPPs. This has resulted in a more efficient automatic milk collection system at the village level, along with cost savings.

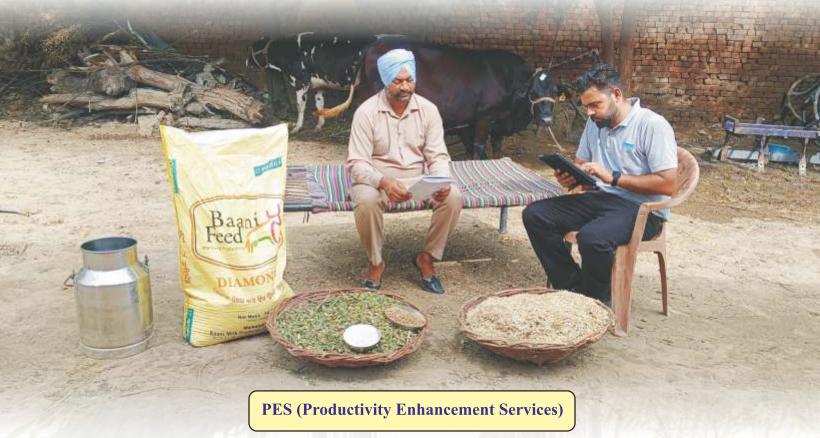

Various infrastructure improvements were undertaken at MCCs during FY 2023-24 to optimize milk chilling operations. These improvements included double docks, upgraded chilling machinery, and new mechanical milk filters.

#### Way forward:

The Company plans to expand milk procurement operations into other districts of Punjab. New MCCs and MPPs will be established during FY 2024-25. The Company is also exploring the possibility of procuring milk from neighbouring states like Rajasthan and Haryana. With guidance from the Board of Directors and support from farmer members, employees, and stakeholders, the Company anticipates substantial growth in the coming years.

For better environment and sustainability, Company is exploring the options of installing solar based power generation at MCC level.

Baani Milk Producer Company Limited is dedicated to increasing its farmer members' income by reducing milk production costs through essential services. The Company provides various input services, such as cattle feed, mineral mixtures, feed supplements, subscription-based farm development projects, Mastitis Control Popularisation Project (MCPP), Subclinical Mastitis Screening (CMT), demo fodder plots, treatment using ethno-veterinary medicines, training on good animal husbandry practices, silage schools, and bale silage.

The Company has also begun supplying herbal feed supplements to farmer members to address various dairy animal health conditions, promoting faster recovery and optimal milk production.

During the year 2023-24, following were the achievements of various input services:

S.No.	Input Service	Unit	Achievement
1	Cattle Feed	Metric Ton	3,673
2	Mineral Mixture	Metric Ton	68.94
3	CMT (Subclinical mastitis tests)	No. of animals screened	89,405
4	FDP (Farm Development Project)	No. of members enrolled	133
5	KCC (Kisan Credit Card)	No. of members received KCC	7,554*
6	Training of members	No. of members trained	10,046
7	Ethno-veterinary Medicines	No. of cases treated	29,898
8	Sahayak Refresher Training	No. of participants	918

<sup>\*</sup>total members covered till March 2024.

#### Way Forward:

Baani Milk Producer Company Limited has achieved considerable success in treating dairy animals using ethno-veterinary medicines and aims to expand this approach to a larger number of farmer members in 2024-25. The company will actively promote the use of herbal products among its members.

As a Cluster Based Business Organization (CBBO), the Company has assisted in operationalizing Sanjh Fodder & Agri Producer Company Limited in the Sangrur district of Punjab during the year under review.

The Company is dedicated to educating dairy farmers on good farm practices, silage production, and seed production. It is also exploring the potential for selling fodder seed and bale silage in the coming years.

#### **Logistics:**

Logistics operations are crucial for any organization's success. Baani Milk Producer Company Limited maintains a robust logistics management system to ensure the timely and efficient transportation of milk and milk products.

All vehicles, including inward and outward milk tankers, are equipped with GPS devices for real-time monitoring. Field supervisors have mobile applications installed on their smartphones to access real-time vehicle movement data and historical records.

#### Way Forward:

The Company plans to strengthen its monitoring of milk transporters, both inward and outward, through various performance analysis tools.

#### **QUALITY INITIATIVES**

Following initiatives have been taken for the improvement of raw milk quality and milk products:

#### > Lab infrastructure improvement:

- Solar water system of capacity 300 Litres installed for CIP of tanks and can cleaning at MCC Kheri Khurd.
- Plate heat exchanger capacity from 15 kl to 20 kl has been increased after increasing 25 plates at MCC-Bhadaur and Mansa.
- Requirement of hot water for CIP and can cleaning has been fulfilled after installation electric geyser capacity 700 kgs of water at new MCC Khawaspur.

Numbers of training conducted 08 and 106 participants trained.
- Total 419 training programs conducted during 2023-24, in which 8980 participants were trained under new initiative "GallBaat" topic included member enrolments process, clean milk production practises, E&I services etc. and 918 Sahayaks trained in 37 different training programs on hygiene and safe milk handling through "Sahayak Refresher Trainings".
- SOPs and Products specifications updated as per requirements of product manufacturing (PPM, Dahi, Lassi and Ghee) and MCC operation, all updated SOPs and Products specifications provided to end user for implementation.

PIB's intent is to build an institution of its producer members through better governance and member centric approach. These efforts are directed to increase active membership leading to proliferation in business aspects. Along with this, PIB aids for member level trainings & awareness for their skill development and overall professional growth.

#### **MPCs Core Design Principles:**

The Core Design Principles are strictly observed and followed. Business dealings are mainly with the members only. Active user membership and their participation in business and governance are encouraged. All members are having equity as far as may be in proportion to his/her patronage. Board of the company is constituted based on the provisions of the Articles of the Company, which also ensures inclusiveness in governance.

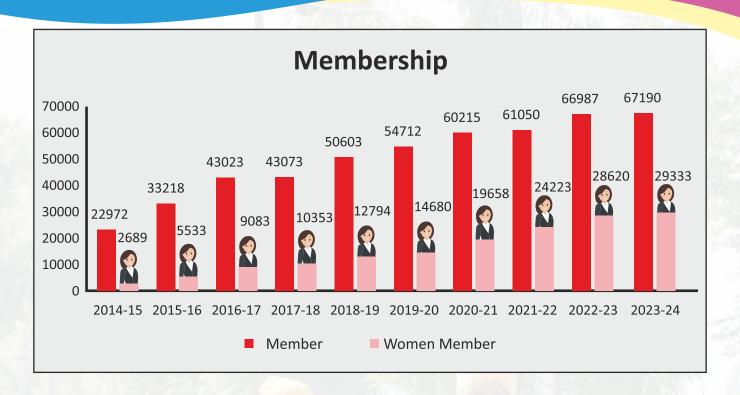

Members' Grievances are addressed in time and are being monitored from the head office level. With the support of strong field staff and VCG-MRG, the company ensures to resolve all the queries received from members in time.

#### **Member Enrolment and Information Sharing with members:**

The automated member enrolment process helped to give better service to members. The company is committed to share all types of member related information with members and this is being done through Baani Member Application. This has upgraded the ladder up in terms of transparency. Member can have a snapshot of nomination details, payment details, share capital, pouring pattern, incentive and dividend paid till now etc. through the Member App. Further, member can check shift wise milk pouring status.

#### **Strengthening Member Relations:**

The Village Contact Groups (VCG) and Member Relation Groups (MRG) facilitate effective two-way communication between Company and Producer Members. VCG and MRG members meet at regular intervals to discuss and review the progress of the Milk Pooling Point (MPP).

#### **Women Empowerment:**

Baani MPC continues its emphasis on enhancing the participation of women members. The following interventions have been initiated to achieve the larger objective of women empowerment:-

- The company communicates about the role of women in every meeting and forum to emphasize the importance of women in dairy sector.
- Women members who consistently pour quality milk in required quantity to the MPP of the company, while fulfilling other criteria of continuing membership, have better chance to be a member on the Board of the company. Board meetings give them excellent opportunity to learn management and governance. Presently there are three women directors on the board of your Company.

#### **Training & Capacity Building Programs:**

Training of all producer members of Baani has always been the main focus area of the company since inception. It is required to be provided in continuous/periodical manner for skilling-up members' knowledge about dairy sector as well as for feedback & self-evaluation.

#### INDEPENDENT AUDITOR'S REPORT

## To The Members of Baani Milk Producer Company Limited Report on the Audit of the Financial Statements

#### **Opinion**

We have audited the accompanying financial statements of **Baani Milk Producer Company Limited** ("the Company"), which comprise the Balance Sheet as at 31 March, 2024, and the Statement of Profit and Loss, the Cash Flow Statement for the year ended on that date, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under section 133 of the Act ("Accounting Standards") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March, 2024, and its profit and its cash flows for the year ended on that date.

#### **Basis for Opinion**

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

#### Information Other than the Financial Statements and Auditor's Report Thereon

- The Company's Board of Directors is responsible for the other information. The other information comprises the Director's Report, but does not include the financial statements and our auditor's report thereon.
- Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.
- If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

## Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act, with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management and Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intend to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Company's Board of Directors are also responsible for overseeing the Company's financial reporting process.

#### **Auditor's Responsibility for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal financial controls that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

#### Report on Other Legal and Regulatory Requirements

- 1. As required by Section 143(3) of the Act, based on our audit we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

#### ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1(g) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to financial statements of Baani Milk Producer Company Limited ("the Company") as at 31 March, 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls with reference to financial statements based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

#### Meaning of Internal Financial Controls with reference to standalone financial statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

# Inherent Limitations of Internal Financial Controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **Opinion**

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at 31 March, 2024, based on the criteria for internal financial control with reference to financial statements established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

#### ANNEXURE B TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 2 under 'Reports on Other Legal and Regulatory Requirements' section of our report of even date)

In terms of the information and explanations sought by us and given by the Company and the books of accounts and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that:

- (i) (a) A. The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
  - B. The Company has maintained proper records showing full particulars of intangible assets.
  - (b) The Property, Plant and Equipment were physically verified during the year by the Management which, in our opinion, provides for physical verification at reasonable intervals. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
  - (c) The Company does not have any immovable properties and hence reporting under clause (i)(c) of the Order is not applicable.
  - (d) The Company has not revalued any of its property, plant and equipment and intangible assets during the year.
  - (e) No proceedings have been initiated during the year or are pending against the Company as at 31 March, 2024 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- (ii) (a) The inventories except for goods-in-transit, were physically verified during the year by the Management at reasonable intervals. In our opinion and based on information and explanations given to us, the coverage and procedure of such verification by the Management is appropriate having regard to the size of the Company and the nature of its operations. In respect of goods in transit, the goods have been delivered subsequent to the year-end and confirmations have been obtained from the parties. No discrepancies of 10% or more in the aggregate for each class of inventories were noticed on such physical verification of inventories/alternate procedures performed as applicable, when compared with the books of account.
  - (b) According to the information and explanations given to us, at any point of time of the year, the Company has not been sanctioned any working capital facility from banks or financial institutions on the basis of security of current assets, and hence reporting under clause (ii)(b) of the Order is not applicable.
- (iii) The Company has not made any investments in, provided any guarantee or security, and granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties during the year, and hence reporting under clause (iii) of the Order is not applicable.

- (iv) The Company has not granted any loans, made investments or provided guarantees or securities and hence reporting under clause (iv) of the Order is not applicable.
- (v) The Company has not accepted any deposit or amounts which are deemed to be deposits. Hence, reporting under clause (v) of the Order is not applicable.
- (vi) The maintenance of cost records has not been specified for the activities of the Company by the Central Government under section 148(1) of the Companies Act, 2013.
- (vii) In respect of statutory dues:
  - (a) Undisputed statutory dues, including Goods and Service tax, Provident Fund, Income-tax, cess and other material statutory dues applicable to the Company have been generally deposited by it with the appropriate authorities in all cases during the year.

There are no undisputed amounts payable in respect of Goods and Service tax, Provident Fund, Income-tax, cess and other material statutory dues in arrears as at 31 March, 2024 for a period of more than six months from the date they became payable.

(b) Details of statutory dues referred to in sub-clause (a) above which have not been deposited as on 31 March, 2024 on account of disputes are given below:

Name of Statute	Nature of Dues	Amount involved* (in INR lakhs)	Amount paid under protest (in INR lakhs)	Year to which the Amount Relates	Forum where Dispute is Pending
Income Tax Act, 1961	Income Tax	77.82	15.50	AY 2022- 23	Commission er of Income tax (Appeals)
Punjab Goods and Services Tax Act, 2017and Central Goods and Services Tax Act, 2017	Goods and Services Tax	1.15		FY 2019- 20	Appellate Authority (GST)

<sup>\*</sup> Excludes statutory interest which is subject to final order.

- (viii) There were no transactions relating to previously unrecorded income that were surrendered or disclosed as income in the tax assessments under the Income Tax Act, 1961 (43 of 1961) during the year.
- (ix) (a) The Company has not defaulted in the repayment of loans or borrowings or in the payment of interest thereon to any lender during the year.
  - (b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.

- (c) The term loans availed by the Company were, applied by the Company during the year for the purposes for which the loans were obtained, other than temporary deployment pending application in respect of term loans raised towards the end of the year.
- (d) On an overall examination of the financial statements of the Company, funds raised on short term basis have, prima facie, not been used during the year for long-term purposes by the Company.
- (e) The Company did not have any subsidiary or associate or joint venture during the year and hence, reporting under clause (ix)(e) of the Order is not applicable.
- (f) The Company did not have any subsidiary or associate or joint venture during the year and hence, reporting under clause (ix)(f) of the Order is not applicable.
- (x) (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause (x)(a) of the Order is not applicable.
  - (b) During the year, the Company has not made any preferential allotment or private placement of shares or fully, partly and optionally convertible debentures and hence reporting under clause (x)(b) of the Order is not applicable.
- (xi) (a) No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
  - (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
  - (c) As represented to us by the Management, there were no whistle blower complaints received by the Company during the year and upto the date of this report.
- (xii) The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
- (xiii) The Company is in compliance with section 188 of the Companies Act for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements etc. as required by the applicable accounting standards. The Company is a private company and hence the provisions of section 177 of the Companies Act, 2013 are not applicable to the Company.
- (xiv) (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
  - (b) We have considered, the internal audit reports issued to the Company during the year and covering the period from April 2023 to September 2023 and the final of the internal audit reports which were issued after the balance sheet date covering the period October 2023 to March 2024 for the period under audit.
- (xv) During the year, the Company has not entered into any non-cash transactions with its directors or persons connected with them and hence provisions of section 192 of the Companies Act, 2013 are not applicable.

(xvi) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause (xvi)(a), (b) and (c) of the Order is not applicable.

There is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly, reporting under clause 3(xvi)(d) of the Order is not applicable.

- (xvii) The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors of the Company during the year.
- On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) The Company was not having net worth of Rupees five hundred crore or more, or turnover of Rupees one thousand crore or more or a net profit of Rupees five crore or more during the immediately preceding financial year and hence, provisions of Section 135 of the Act are not applicable to the Company during the year. Accordingly, reporting under clause 3(xx) of the Order is not applicable for the year.

#### Notes forming part of the financial statements

#### 1. Corporate information

Baani Milk Producer Company Limited ("the Company") was incorporated on August 11, 2014 under Part IXA of the Companies Act, 1956.

The Company has started the procurement operations in the state of Punjab from 6th November, 2014. The Company procures milk directly from milk producers through 'Milk Pooling Points' (MPP) in villages of Punjab and sells to Institutional Buyers. The Company also trades in 'Polypack Milk' (PPM), Ghee, Curd, Skimmed Milk Powder, Other Milk Products and Cattle Feed.

#### 2. Significant accounting policies

The significant accounting policies are as follows:

#### a. Basis of accounting

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013 ("the 2013 Act") The financial statements are prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

#### b. Use of estimates

The preparation of financial statements in conformity with Indian GAAP requires management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The management believes that the estimates used in the preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognized in the period in which results are known/materialize.

#### c. Cash and cash equivalents (for the purposes of Cash Flow Statement)

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

#### d. Cash flow statement

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

#### e. Revenue recognition

Sales are recognized, net of returns and trade discounts, on transfer of significant risk and rewards of ownership to the buyers, which generally coincides with the delivery of goods to customers.

#### f. Other income

Interest income on deposits is recognized on a accrual basis.

#### g. Property, Plant and Equipment and Intangible Assets

#### **Property, Plant and Equipment**

Property, plant and equipment are carried at cost less accumulated depreciation and impairment losses, if any. The cost of Property, plant and equipment comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, other incidental expenses and interest on borrowings attributable to acquisition of qualifying Property, plant and equipment up to the date the asset is ready for its intended use. Subsequent expenditure on Property, plant and equipment after its purchase is capitalized only of such expenditure results in an increase in the future benefits from such asset beyond its previous assessed standard of performance.

#### Intangible assets

Intangible assets are stated at their cost of acquisition, less accumulated amortization and impairment losses. An intangible asset is recognized, where it is probable that the future economic benefits attributable to the asset will flow to the enterprise and where its cost can be reliably measured. The depreciable amount of intangible assets is allocated over the best estimate of its useful life on a straight-line basis.

The company capitalizes software costs where it is reasonably estimated that the software has an enduring useful life. Software is depreciated over the management's estimate of its useful life of three years.

#### h. Capital work-in-progress

Assets which are not ready for their intended use are carried at cost, comprising direct cost, related incidental expenses and attributable interest if any.

#### i. Depreciation and amortisation

Depreciation on tangible assets has been provided on straight line method as per the useful life prescribed in Schedule II to the Companies Act, 2013 except in respect of the following categories of assets, in whose case the life of the assets assessed as under based on technical advice, taking into account the nature of asset, the estimated usage of assets, the operating condition of the asset, past history of replacements, anticipated technological changes, manufactured warranties and maintenance support etc.

The useful life considered for charging depreciation is as follows:

Description	Useful life (in years)
Plant and equipment	10
Milk Cans/ Milk pouch crates* Batteries for DPMCU* (*included in Plant and equipment)	3 5

Depreciation is provided pro-rata from the date of addition.

#### j. Inventories

Inventories comprise finished goods and stores and spares. Inventories are valued at lower of cost and net realizable value after providing for obsolescence and other losses, where considered necessary. Cost is determined using weighted average method. Cost includes all charges incurred in bringing the inventories to their present location and condition. Finished goods include appropriate proportion of overheads.

#### k. Grants

Government grants and subsidies are recognised when there is reasonable assurance that the Company will comply with the conditions attached to them and the grants / subsidies will be received. Government grants related to depreciable Property, plant and equipment are treated as deferred grants which is recognised in the statement of profit and loss on a systematic and rational basis over the useful life of the asset, i.e., depreciation charge on assets procured from such grants is appropriated from Deferred Grant and recognized in the Statement of Profit and Loss by way of reduced depreciation charge.

Revenue government grants and subsidies are recognised as income over the periods necessary to match them with the costs for which they are intended to compensate, on a systematic basis and are deducted in reporting the related expense.

#### I. Employee benefits

Employee benefits include Provident Fund, Employee State Insurance scheme, Gratuity and compensated absences.

#### a. Defined contribution plans

The Company's contributions to Provident Fund and Employees State Insurance scheme is considered as defined contribution plan and are charged to the Statement of Profit and Loss based on the amount of contributions required to be made as and when services are rendered by the employees.

#### b. Defined benefit plans

Gratuity is considered as defined benefit plan. Gratuity is provided based on actuarial valuation carried out at the balance sheet date. The incremental liability based on an actuarial valuation as per the 'Projected Unit Credit' method, as at the reporting date, is charged to the Statement of Profit and Loss Account. Actuarial gains and losses are recognized in the Statement of Profit and Loss.

#### c. Short-term employee benefits

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised during the year when the employees render the services. These benefits include performance incentives and compensated absences which are expected to occur within twelve months after the end of the period in which the employee renders the related services.

#### d. Long-term employee benefits

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognized as a liability at the present value of the defined benefit obligation as at the balance sheet date on the basis of actuarial valuation.

#### m. Earnings per share

Basic earnings per share is computed by dividing the net profit after tax by weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the year as adjusted to the effects of all dilutive potential equity shares, except where results are anti-dilutive.

#### n. Taxes on income

Income tax comprises current tax and deferred tax. Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates and the provisions of Income Tax Act, 1961 and other applicable tax laws.

Deferred tax is recognized on timing differences; being the difference between taxable incomes and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted as at the reporting date. Deferred tax liabilities are recognized for all timing differences. Deferred tax assets are recognized for timing differences of items other than unabsorbed depreciation and carry forward losses only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realized. However, if there are unabsorbed depreciation and carry forward losses, deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that there will be sufficient future taxable income available to realize such assets. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legal enforceable right for such set off.

#### o. Borrowing cost

Borrowing costs includes interest and ancillary costs incurred. Borrowing costs that are directly attributable to the acquisition or construction of a qualifying asset, pertaining to the period from commencement of activities relating to construction/development of qualifying asset upto the date of capitalization of such asset, are capitalized as part of the cost of that asset. All other borrowing costs are recognized as an expense in the statement of profit and loss in the year in which they are incurred.

#### p. Impairment of assets

At each balance sheet date, the Company reviews the carrying values of its Property, plant and equipment to determine whether there is any indication that those assets suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of impairment loss. Recoverable amount is the higher of an assets net selling price and value in use. In assessing value in use the estimated future cash flows expected from the continuing use of the asset and from its disposal are discounted to their present value using a pre-discount rate that reflects the current market assessments of time value of money and the risks specific to the asset.

Reversal of impairment loss is recognized as income in the statement of profit and loss.

#### q. Segment Information

Business Segments (Primary)

The Company identifies primary segments based on the dominant source, nature of risks and returns and the internal organization and management structure. The Company is primarily engaged in procurement and sale of milk and milk products. This has been considered as a single business segment.

#### r. Provisions and contingencies

A provision is recognized when the Company has present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions (excluding employee benefits) are not discounted to their present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Contingent Assets are not recognized in the financial statements. Contingent liabilities are disclosed in the notes to accounts.

#### s. Leases

Lease arrangements where the risks and rewards incident to ownership of an asset substantially vest with the lessor are recognized as operating leases. Lease rent under operating leases are recognized in the statement of profit and loss account on straight line basis over the lease term.

#### t. Operating Cycle

Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realization in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

#### Note 30

The Company had received share application money of Rs.62.77 Lakhs against which Company has alloted 62690 shares and 80 shares are surrendered at the Board Meeting held on May 22, 2024. The shares were alloted within the period sepcified in Companies Act, 2013.

#### Note 31

In respect of the year ended March 31, 2024, the directors in their meeting dated 19.07.2024 have proposed a final dividend of Rs.1,12,79,944/- (Rs.8/- per share) to be paid on fully paid equity shares. The equity dividend is subject to approval by shareholders at the Annual General Meeting and has not been included as a liability in the financial statements. The proposed equity dividend is payable to all holders of fully paid equity shares.

#### Note 32: Employee benefit plans

#### **Defined-contribution plans**

The Company offers its employees defined contribution plan in the form of Provident Fund and Family Pension Fund. Provident Fund and Family Pension Fund cover all employees. Provident Fund Contribution is deposited with the Regional Provident Fund Commissioner (RPFC). Both the employees and the Company pay contributions at the rate specified under the Employees Provident Fund and Miscellaneous Provisions Act, 1952.

The Company has recognised expense of Rs.42.39 Lakhs (previous year Rs.44.46 Lakhs) for Provident Fund and Pension Fund contribution in the statement of profit and loss.

#### **Defined-benefits plans**

The Company offers its employees defined-benefit plan in the form of a gratuity scheme i.e. a lump sum amount at the time of separation. Benefits under the defined benefit plan are based on years of service and the employee's compensation immediately before separation. Commitments are actuarially determined at year-end. The gratuity scheme covers all employees. Actuarial valuation is done based on "Projected Unit Credit" method. Gains and losses of changed actuarial assumptions are charged to the statement of Profit and Loss.

The following tables sets out the funded status of the defined benefit plan in respect of gratuity and amount recognised in the financial statements.

#### 37. The Ratios for the year March' 31 2024 and March' 31 2023 are as follows:

Sr. no.	Ratio	Basis of Computation	March 31, 2024	March 31, 2023	Variance (%)
1	Current ratio (in times)	Current Assets/Current Liabilities	1.04	1.03	0.29
2	Debt-Equity ratio (in times)	Total Debt <sup>(1)</sup> / Shareholder's Equity	1.97	2.07	(4.53)
3	Debt service coverage ratio (in times) (Refer note A below)	Earnings available for debt services <sup>(2)</sup> /Debt Service <sup>(3)</sup>	3.13	1.44	117.37
4	Return on equity Ratio (in %)	Net profit after tax/Average shareholder's equity <sup>(4)</sup>	14.01	(0.63)	14.64
5	Inventory turnover ratio (in times)	Revenue from operation/Average inventory <sup>(5)</sup>	107.98	107.75	0.21
6	Trade receivable turnover ratio (in times)	Revenue from operation/Average trade receivable <sup>(6)</sup>	7.18	6.05	18.68
7	Trade payable turnover ratio (in times)	Purchase of raw material and traded goods/Average trade payable <sup>(7)</sup>	21.30	21.41	(0.53)
8	Net capital turnover ratio (in times) (Refer note B below)	Revenue from operation/Average working capital <sup>(9)</sup>	159.45	42.20	277.88

11	Return on Investment <sup>(12)</sup>	Dividend Income/Average investment	Not Applicable	Not Applicable	

#### **Explanation:**

- <sup>1</sup> Total Debt = Long term Borrowings + Short term Borrowings
- <sup>2</sup> Earnings available for debt services (EBITDA) = Profit before tax + Depreciation and amortization expense + Finance costs
- Debt Service = Finance cost
- <sup>4</sup> Average shareholder's equity = (opening shareholders' funds + closing Shareholders' funds)/2
- Average inventory = (opening inventories + closing inventories)/2
- <sup>6</sup> Average trade receivable = (opening trade receivables + closing trade receivables)/2
- Average trade payable = (opening trade payables + closing trade payables)/2
- <sup>8</sup> Working Capital = Current Assets Current Liabilities
- 9 Average working capital = (opening working capital + closing working capital)/2
- $^{10}$  Earnings before interest and tax (EBIT) = Profit before tax + Finance costs
- $^{11}$  Capital Employed = Shareholder's equity + Total Debt  $\pm$  Deferred Tax liability/asset
- $^{\rm 12}$   $\,$  No investments made by the Company. Hence, this ratio is not applicable.

#### Notes:

- \*\*A Increase in the Net profit has lead to increase in the ratio.
- <sup>#B</sup> Due to increase in revenue from operations by 20% and decrease in the average working capital as compared to last year has lead to increase in the ratio.
